**Re: Your November 1, 2003 Letter to the Chair of the Pima County Bond Advisory Committee**

Dear Ms. Karsh:

Thank you for your letter. I have forwarded same to Supervisor Ray Carroll and the other members of the Board of Supervisors.

Further, the Bond Advisory Committee asked for my recommendations on all County departmental or entity funding requests. I have recommended that \$4 million be allocated to Phase II of the Community Performing Arts Center in Green Valley. I realize this may be less than the funds requested, however, County departments and other entities requested nearly \$472 million of funding. In order to stay within the limitations established by the Bond Advisory Committee regarding an overall bond issue, I have recommended only \$151.5 million in projects out of the \$472 million requested. I believe the Community Performing Arts Center in Green Valley is a very worthwhile project that should receive funding consideration, particularly given the commitment by the Green Valley community and surrounding area to private fund-raising to match or exceed public funds raised to complete this project.

Sincerely,

A handwritten signature in cursive script that reads "C. Huckelberry".
