Re: **Attached Memorandum and List of Potential Public Works Projects for Consideration
in the May 2004 Bond Issue**

Dear Mr. Hecker:

Enclosed please find an early draft of Public Works projects that could be considered for the May 2004 bond issue. The Public Works departments under the direction of the Deputy County Administrator for Public Works will refine project descriptions at estimates for individual presentation to the committee, however, this initial list will give you an idea of the variety of capital needs that exist within Pima County.

Sincerely,
